

Please see below for a summary of our results from 2018/19:

### Progress

*These figures tell you how much progress students who studied A levels at this school or college made between the end of key stage 4 and the end of their A level studies, compared to similar students across England.*

-0.44

NB. A negative progress score does not mean students made no progress, or the school or college has failed, rather it means students in this school or college made less progress than other students across England with similar results at the end of key stage 4.

### Attainment

*These figures tell you the average points that students achieved per A level entry.*

26.25

### English and Maths Progress

*These scores show how much progress students at this school or college made in English and maths qualifications such as GCSE re-takes, between the end of key stage 4 and the end of the 16 to 18 phase of education.*

Suppressed: in certain circumstances we will suppress an establishment's data. This is usually when there are 5 or fewer students covered by the measure. We avoid making these figures public to protect individual privacy. We may also suppress data on a case-by-case basis.

### Retention

*students retained for a second year in their main study programme*

92.6%

### Destination

*students who progressed to further education or employment*

84%
