Description of alteration and associated pattern of demand

The Griffin Schools Trust is proposing to remove the VIth form provision at Lammas School as from 31 August 2025. Thereafter, all VIth form students currently registered at the provision will continue to be registered until they leave the school, but no further students will be registered in the VIth form on or after 1 September 2024.

This proposal has been formed in response to a decrease in demand for VIth form places at the school over the last 3 years.

Effect on other Educational Institutions

It is anticipated that the removal of VIth form provision will result in a small increase spread across the mainstream sector in Waltham Forest.

Project Costs

There are no costs expected in the removal of this VIth form provision.
